Letter of Recommendation

It is my pleasure to recommend Aditya Vijay Naik as a post-graduate student for your esteemed school/ university. Aditya is a graduated alumni from batch 2018, Computer Science from Symbiosis Institute of Technology affiliated under Symbiosis International University.

I know Aditya for the last 4 years as he was my student of more than one undergraduate courses. Describing more about Aditya, he is an optimistic student and was not only good in academics but was also equally contributive to extra curricular and sport activities held in the college. He is an excellent team worker with a kind and polite attitude towards college life.

Hope this might help your greater concern with regards to admission in your institute.

Thanking you for the anticipation,

Yours Truly
